

Overview of Tokyo Century

Management Philosophy

The Tokyo Century Group will work
alongside customers in pursuit of their growth
as a highly specialized and unique financial services company
and will contribute to the creation of
an environmentally sound, sustainable economy and society.

Corporate Slogan

Solutions to your Pursuits

Creating new values from Finance × Services × Business Expertise

Sentiments Encapsulated in the Corporate Slogan

Tokyo Century's corporate slogan encapsulates our desire to support both our customers and employees in chasing their ambitions and to have the accomplishment of their ambitions act as the driver behind the ongoing growth of the Company.

Ambitions as a Corporate Group That Brings About Change

Tokyo Century will contribute to the development of its customers and of society as it and its employees proactively drive the creation of new businesses and continue to chase new ambitions.

1 Highly Specialized and Unique Financial Services

Not limiting itself to financial functions, Tokyo Century is committed to its ongoing quest to provide financial services that cater to customer needs, to create high-value-added services tied to asset life cycles, and to develop businesses itself.

2 Partnerships with Customers Pursuing Business Growth

Tokyo Century employees continue their bold efforts to deliver solutions that surpass customer expectations and to thereby contribute to the creation of value and consequently to the development and growth of customers' businesses. Our partnership strategy is founded on the strength of our trust-based relationships with customers, and we intend to preserve this tradition within the Company so that we can keep growing together with customers.

3 Creation of an Environmentally Sound, Sustainable Economy and Society

As a company involved in a business related to various assets, recycling and decarbonization are incredibly important themes for Tokyo Century as it seeks to contribute to the creation of an environmentally sound, sustainable economy and society. We are united in our ongoing commitment to realizing such a society in order to preserve a pristine environment for future generations.
